

AGameMode

```
classDiagram
    class AGameMode
    class AHolodeckGameMode
    AHolodeckGameMode --|> AGameMode
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'AGameMode'. Below it is a box labeled 'AHolodeckGameMode'. A blue arrow points from the 'AHolodeckGameMode' box up to the 'AGameMode' box, indicating that 'AHolodeckGameMode' inherits from 'AGameMode'.
